

EMPLOYEE PORTAL

HRIS User Guide

A picture-by-picture guide for attendance, leave, payroll, policies, profile updates, and shift changes.

Made simple: look for the button, click it once, and read the message on the screen.

 Clock in and out

 File leave

 Read payslips

 Read policies

 Request a shift

1. Sign in

This is the front door. Use the email and password given to you by HR.

1

Open the website

`psyzygyams.vercel.app`

2

Type your email

Click the Email box and type carefully.

3

Type your password

The dots hide your password. That is normal.

4

Press “Sign In”

Wait for your Dashboard to appear.

Keep it secret: Never send your password to another person.

The screenshot shows the sign-in interface for the Psyzygy Psychological Center, Inc. Attendance Monitoring System. At the top is the company logo, which features a red heart outline containing a blue Greek letter Psi (Ψ) and a brain diagram. Below the logo, the text "PSYZYGY" is displayed in bold blue letters, followed by "PSYCHOLOGICAL CENTER, INC." in smaller blue letters. Underneath, the title "Attendance Monitoring System" is shown in bold black text, with the instruction "Sign in to your account to continue" in a smaller font. The form includes two input fields: "Email" with the placeholder "Enter your email" and "Password" with the placeholder "Enter your password". A black "Sign In" button is positioned below the password field, and a light gray button is located at the bottom of the form.

2. Meet your Dashboard

The Dashboard is your home screen. The menu on the left takes you to every tool.

- 1

Look at your status

The dark banner tells you if you are clocked in.
- 2

Check today's time

The big clock uses your local time.
- 3

Use the left menu

Choose Dashboard, Profile, Payroll, Leave, Policies, or Shift Change.
- 4

Read announcements

Press "Announcements" when you see a number beside it.

Jun 27, 2026	08:42 AM	06:01 PM	present	Request Alteration

3. Clock in, clock out, and fix a wrong time

Clock in when work starts. Clock out when work ends.

► Starting work

1. Open **Dashboard**.
2. Press **Clock In** one time.
3. Check that your clock-in time appears.

■ Ending work

1. Finish any required Daily Activity Log.
2. Press **Clock Out** one time.
3. Check that your clock-out time appears.

Good sign: A gray button usually means that action is already finished or not ready yet.

Wrong clock time?

1. Go down to **Attendance History**.
2. Find the correct day.
3. Press **Request Alteration**.
4. Enter the correct time and a short reason.
5. Submit and wait for HR approval.

Do not guess. Enter the real time and explain what happened.

4. Use HRIS on your phone

The same tools work on a small screen. Everything stacks neatly so buttons are easy to tap.

- 1 Open the menu**
Tap the three-line menu button at the top-left.
- 2 Scroll down**
Swipe up gently to see attendance history and more tools.
- 3 Tap once**
Wait after tapping Clock In, Clock Out, or Submit.
- 4 Turn the phone if needed**
Landscape view can make wide information easier to read.

Internet check: If nothing happens, make sure Wi-Fi or mobile data is on.

5. File a leave request

Use “My Leave” to ask for time away and check how many leave credits are available.

- 1

Choose My Leave

Find it in the left menu.
- 2

Check Leave Credits

“Available” shows what you can still use.
- 3

Fill the form

Pick a leave type, dates, whole/half day, and write a reason.
- 4

Add a file if asked

Some leave types require proof or an attachment.
- 5

Submit

Look below the form to follow the request status.

6. Read your payroll and payslip

Your pay information is private. Only open it where other people cannot look over your shoulder.

- 1

Choose My Payroll
Your latest pay and payroll history appear here.
- 2

Find a pay period
Use Search, Status, or Year when the list is long.
- 3

Press View Payslip
You will see earnings, deductions, and net pay.
- 4

Download if needed
Save the payslip only on your own device.

Private: Do not post a payslip in a public chat or social media.

7. Check or update your Profile

Your profile holds your personal, government, and bank information.

- 1

Choose Profile

Check that your information is correct.
- 2

Press Edit Profile

Editable boxes will become available.
- 3

Fix the information

Type slowly and check every number.
- 4

Save Changes

Wait for the success message before leaving.

Be careful: SSS, Pag-IBIG, PhilHealth, and ATM numbers must be exact.

8. Read Company Policies

Corporate HR places important PDF documents in the Policy Library.

- 1

Choose Company Policies
Open it from the left menu.
- 2

Find a policy
Use the Search box when many documents are available.
- 3

Click the policy card
The PDF opens in a large pop-up reader.
- 4

Read or open a new tab
Scroll through the PDF, then press Close when done.

Empty library? It only means Corporate HR has not published a document yet.

9. Ask for a temporary Shift Change

Use this when you need a different shift on one specific date.

- 1

Choose Shift Change

Your old requests and their status appear here.
- 2

Press New Request

A small form will open.
- 3

Pick the date and shift

Choose the exact day and the shift you need.
- 4

Write the reason

Use a short, honest explanation.
- 5

Submit and wait

The change applies only after approval.

10. Remember these simple rules

A small checklist keeps your HRIS records safe and correct.

Every workday

- ✓ Clock in only when work starts.
- ✓ Complete required activity logs.
- ✓ Clock out only when work ends.
- ✓ Check that the time appears.

Keep your account safe

- ✓ Keep your password secret.
- ✓ Do not share payslips publicly.
- ✓ Press **Logout** on a shared device.
- ✓ Ask HR when something looks wrong.

Need help? Take a screenshot of the error message and send it to your HR or system administrator. Never include your password.
